

Shih Tzu Puppy Deposit Agreement

____ Male ____ Female ____ Either

DEPOSIT AMOUNT: \$300

I, Kimberly Brittain, have taken a deposit of the amount stated above on a Shih Tzu puppy.

The deposit is a promise to buy a puppy and a promise to hold a puppy. Deposits are not refundable but can be transferred to the next available litter.

Puppies are usually ready at 8 weeks of age. Sometimes I will make a determination to hold a puppy longer, if I feel that it is in the puppy's best interest. This is my decision as the seller to make for each puppy.

You must make your selection when the puppies turn 6 wks. old and set up a day and time to receive your puppy at that time. If choice and arrangements have not been made at the time specified above, the puppy will be made available to our waiting families.

If, for the buyer's convenience, I agree to hold and care for the puppy beyond 8 weeks of age, I will charge an additional \$5.00 per day plus any medical expenses.

The Purchaser has read and fully understands the terms of this contract and agrees to comply with them.
